Dear Parents,

Thank you for your interest in Windmill Montessori. Enclosed is our brochure, a schedule of rates, along with the application form, which you requested.

We invite you to visit our school for an interview, see our facilities, and observe our students and teachers in session. Please call the School office to schedule an appointment. Please come prepared with your filled out application and a copy of your child's *birth certificate* and *immunization card*. This will help to make the process go more quickly and smoothly.

Our registration process is divided into two phases. The first phase involves a visit to the School and a meeting with you. **Your child does not accompany you at this time.** We will discuss your child, our School and/or Camp Programs, and address any concerns you have relative to your child's future education.

The second phase of our registration process requires setting up an appointment for your child to visit and participate in a mini-class to interact with other children and teachers. All children are met before being accepted to Windmill Montessori. Your **Primary** child's visit will last about **one and a half hours**. All **Elementary** children visit a class for the **whole school day**.

To provide the individualized attention we excel at, our openings are limited; we suggest you call for a visit soon, so your application can be considered at the earliest date.

We look forward to meeting you and your child.

Sincerely,

Liza H. Herzberg
Director
